

**BUFFALO CREEK WATERSHED DISTRICT BOARD OF MANAGERS: DRAINAGE AUTHORITY FOR THE PETITIONED IMPROVEMENT OF PORTION OF LATERALS 12 AND 13 OF MCLEOD/SIBLEY JUDICIAL DITCH 8**

**Please Take Notice:** The Buffalo Creek Watershed District Board of Managers, Drainage Authority for the petitioned improvement of Judicial Ditch (JD) 8, Laterals 12 and 13 will hold a final hearing on the petitioned improvement on November 22, 2022 at 2:30 p.m. in Suite 103 of the Glencoe City Center, 1107 11th Street East, Glencoe, Minnesota 55336. The Detailed Survey Report for the petitioned improvement, the viewers' report for the improvement benefits and damages and the Department of Natural Resources' Final Advisory Report have all been filed with the Board. All reports are available for inspection on the District's website (<https://bcwatershed.org/mcleod-sibley-judicial-ditch-8/>) or by contacting the Board's legal consultant, Rinke Noonan Law Firm, at 320-656-3503 or jkolb@rinkenoonan.com. The Board will accept public comment regarding the proposed improvement and the viewers' report. Any party having an interest in the proceedings may appear and provide comment. Written comments will be accepted at the hearing and by mail, if received by November 21, 2022, directed to the Board's legal consultant, Rinke Noonan Law Firm, Attn: John Kolb, P.O. Box 1497, St. Cloud, MN 56302-1497 or jkolb@rinkenoonan.com. Please reference Judicial Ditch 8, Laterals 12 and 13 in your comments.

The petitioned improvement area of JD 8, Laterals 12 and 13 is located in Sections 20, 29, and 28 of Helen Township (T115N, R27W). The proposed improvement includes installing larger tile to furnish sufficient drainage capacity.

Additionally, the engineer appointed to examine the drainage system improvement has determined the existing portion of the drainage system proposed to be improved is in need of repair. The engineer has included in the detailed survey report a statement showing the proportionate estimated cost of the proposed improvement required to repair the separable part of the existing system and the estimated proportionate cost of the added work required for the improvement. At this hearing, the drainage authority will consider the application of separable maintenance. The cost of the portion of drainage system requiring maintenance will be assessed to all properties benefitting from the drainage system.
